SUBJECT: Combat Maneuver Training Center (CMTC) Army Aviation Command and Control (A2C2) SOP

1. Purpose. The CMTC A2C2 SOP establishes policies and procedures for planning, coordination, and execution of Army airspace by aircraft utilizing the Combat Maneuver Training Center (CMTC) / Hohenfels Training Area (HTA). The purpose of this document is to provide a single reference for USAREUR commanders, their staffs, and units accordingly while training at the CMTC/HTA, associated Local Training Areas (LTA), and Maneuver Coordination Areas (MCA).

2. Applicability.

(1) This A2C2 SOP applies to all personnel/units participating in, supporting, observing, or controlling rotational unit training at CMTC/HTA. In addition to these procedures, all personnel and units at CMTC/HTA must comply with all applicable regulations, tactical orders, and the CMTC Exercise Rules of Engagement (EXROE).

(2) Personnel and units utilizing the CMTC/HTA airspace must be familiar with and operate within the parameters established in this SOP.

(3) The Commander, Operations Group, is the final approval authority for exceptions to this A2C2 SOP.

2. Policy. All personnel utilizing the air space at CMTC/HTA must be familiar with the policies and procedures contained in this SOP. Violations will be grounds for personnel/units to be excluded from training at the CMTC/HTA.

3. Proponent. Questions or recommendations concerning this A2C2 SOP should be directed to the Commander, Operations Group, Combat Maneuver Training Center, ATTN: S3 Chief of Operations (DTOC), (466-2330/2943).
