MEMORANDUM FOR RECORD

SUBJECT: Supplemental 1 to the CMTC Army Airspace Command and Control (A2C2) SOP dated 1 April 2002, applicable to all training units utilizing EDR-137.

1. Reference: CMTC Army Airspace Command and Control (A2C2) SOP dated 1 April 2002.
2. The following modifications to the CMTC Army Airspace Command and Control (A2C2) SOP dated 1 April 2002 will be implemented immediately. BLUFOR units, OPFOR, COBs and O/Cs will enforce and adhere to these supplemental measures until otherwise notified.
3. The Air Check Points (ACPs) between EDR-136 and EDR-137 have an identical naming convention with the ACPs within the competitive Combat Maneuver Training Center (CMTC) training area. The following changes will deconflict this issue: *(Paragraphs below will be added to the existing A2C2 SOP once an updated version is dictated)*

**ANNEX D, 13, f. ACPs within the CMTC Competitive Training Area.**
